

**The University of the Arts  
Continuing Education  
CE 1449- Basic HTML Weekend**

**Instructor: David Chaplin-Loebell**

**Course Description:**

This weekend provides a thorough walkthrough of how to hand-code a well-designed web page in HTML and CSS, and prepares students to learn more advanced techniques in the Dreamweaver weekends. Come prepared with a sketch of a web page you want to create, along with any images you'd like to use—and wind up the weekend with a finished page.

**Required Materials:**

A USB Flash Drive or writable CD for storing your work.
