FAQs to Commencement

**CAP + GOWN/REGALIA FAQs**

  - Each year we assign one week for students to pick up their tickets, cap and gown in Gershman Hall, 3rd floor and is typically two weeks prior to the commencement week. We will absolutely notify students via email and social media once that week has been appointed according to the commencement date that year.

**VENUE FAQs**

- **Why don’t you have the ceremony at a bigger venue?**
  - UArts Commencement represents the UArts community and our home on the Avenue of the Arts. Depending on availability as determined by the Kimmel Center, Commencement Ceremonies have been held in the Academy of Music, Verizon Hall, and the Merriam Theater, which are close to the University and allow graduates and guests to celebrate on our campus.

- **Why don’t you do a separate ceremony for each college?**
  - The Commencement Ceremonies celebrate the University of the Arts, one of the very few universities devoted to all of the arts. Smaller award ceremonies are held by colleges and programs as part of Commencement Week.

**TICKET FAQs**

- **I need more tickets, why do we only get two?**
  - The number of tickets we give each eligible graduating student is based on the amount of seats available in the venue vs the amount of graduates walking in that year’s class.

- **How does the ticket lottery work?**
  - Once tickets are picked up by graduates, we will see if anyone has returned tickets or given them back for other students to use. After 6 PM on the Friday of Distribution Week we then send out an email to the student graduating stating we are holding a lottery for any leftover tickets. Students then reply via their UArts email with the amount of tickets they wish to apply for and we run our lottery system – again it depends on tickets given back or not picked up by other students. Our office does our very best to
