

Easy Screen Recording:

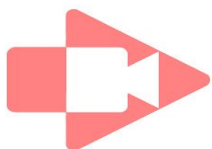

What is Screencastify?

Screencastify is a free Chrome extension that “lives” in your browser. Screencastify makes it easy to record, edit, and share videos of your computer screen. Recordings can easily be shared via email, embedding code, YouTube, Google Classroom, and more.

How do I get Screencastify?

First, you must be using Google Chrome to download Screencastify. If you are not using Chrome, [click here](#) for instructions on how to download.

- **There are two places where you can install the Screencastify extension****
 - The Screencastify [website](#)
 - [This listing](#) in the Chrome Web Store

- To learn how to record your screen, [click here](#)
- To learn how to save and share your recording, [click here](#)

****Note:** It will be handy in the future to have your Sceencastify account linked to your Google Drive. [Click here](#) to learn how.
