## IMMUNIZATION POLICY

UArts requires all entering full-time undergraduate and graduate students to complete a **Health Form, TB Screening Questionnaire and Immunization Record.**

The pre-matriculation immunization requirement is based on the recommendations of the Commonwealth of Pennsylvania Department of Health Immunization and the American College Health Association.

Any student who has not complied with the Immunization Policy by the correct deadline will have an administrative hold placed on their record which will prevent registration for the next term's classes.
