Name   Pronouns   Email

_____

Address   City, State, Zip   Telephone

How did you hear about the University of the Arts? Why do you want to enroll here?	
Please indicate any/all experience in the following areas: Music Performance (school band/chorus/orchestra, your own band, DJ, etc.): Music Business (management, organization, promotion).	
Other Business (part-time jobs, club leadership, volunteering).	
Technology (recording, web site, video, software/app development).	
Please describe your educational and career goals. Entrepreneurs are people who have to think on their feet, look for opportunities, communicate clearly, and be creative in the way they use resources. Describe a situation in which you demonstrated one or more of these qualities.	

Check any of the following software titles you have experience with, and circle the level of experience you have with that particular title.

Pro Tools	☐ Beginner	☐ Intermediate	☐ Expert
Apple Logic	☐ Beginner	☐ Intermediate	☐ Expert
Ableton Live	☐ Beginner	☐ Intermediate	☐ Expert

|	
Is there a piece of software that you use frequently which is not listed above? If so, please list here.	
Describe a typical situation in which you've used the software listed above (i.e. band recordings, MIDI sequencing, film soundtracking, etc.).	

Do you have any experience with production in a live performance environment with sound, lights, etc.? If so, please describe.	

	Music:	Concepts:
Have you ever done any computer programming? If so, what languages have you used?		

Did you ever take music lessons? If so, for how long, and on which instrument? Discuss your experience.	

Who are the artists (musical or otherwise) that you find influential? What is it about their career/work that interests or inspires you?	

Discuss music's role in today's society. Do you feel that it can exist solely as art for its own sake, or that it must serve another specific role or function in society?	

Did you ever take music lessons? If so, for how long, and on which instrument? Discuss your experience.	

Who are the artists (musical or otherwise) that you find influential? What is it about their career/work that interests or inspires you?	

20 years ago, one had to purchase music in physical form. Now, streaming and subscription models dominate. In your opinion, what does the future of music consumption look like?
