

INT. EVE'S DORM - NIGHT

RUBIN (18), GARY (20), and EVE (20) are sitting in various spots in Eve's living room. Each of them have a collection of books and papers around them which can only be indicative of one thing: an exam.

Eve is sitting on the couch by herself. She reads the text book while twirling a pen in her hand.

Gary is sitting on the floor and writing in a notebook.

Rubin is sitting in a chair next to the couch. He's typing on his computer and has headphones on. He looks at Eve, studying her for a few minutes. He smiles.

A timer goes off on Eve's phone. Rubin quickly goes back to his computer. Eve turns it off. Gary stretches. Eve and Gary look at Rubin who's still "focused."

Eve gets off of the couch, goes over to Rubin, and places a hand on him to get his attention.

EVE

Hey.

Rubin takes his headphones off and looks up at her as if he's looking up at a star. In his world, he is.

RUBIN

Hey.

Eve leaves him and gathers her things. Rubin looks at Gary who raises his eyebrows.

EVE

(to both of them)

Wanna get dinner?

RUBIN

Yeah. Sounds great.

GARY

Can I come too or...?

Rubin flashes him a look. *Dude, seriously?* Gary chuckles.

EVE

Only if you pay for the freshman.

GARY

Dude, are you serious?

EVE  
Completely.

GARY  
Damn it.

Rubin and Gary gather their things. Eve smiles at Rubin when Gary isn't looking. The three of them leave the dorm.
